

REMARKS

It was noted that claim 4 incorrectly denoted the external flames as "(FC)". The specification on page 5, lines 9 and 22 and page 6, line 11 state that the external flames are denoted as "(FE)".

Claim 4 has been amended accordingly.

Claim 5 has been amended to correct the designation of the Venturi chamber from "(5)" to -- (5a) -- .

Claim 6 is also amended herein to correct the dependency from claim 11 to read "claim 4", there being no claim 11. Also, the Venturi chamber is redesignated -- (5a) -- instead of "(5)".

FIG. 8 has been corrected to add reference numeral "5a" to more clearly indicate the Venturi chamber. Support for this designation is found on page 5, lines 23-24. The corrected sheet is marked "Replacement Sheet".

Respectfully submitted,
